Grace Bible Fellowship Medical Release & Permission Form:

I, the parent/guardian, request that my child _____, be allowed to participate in the Grace Bible Fellowship Church Children & Youth Ministry Program. This permission form will be kept on file for all Children & Youth Ministry events until this child graduates from high school.

I further give my permission for my child to ride in any vehicle designated by the adult in whose care my child has been entrusted while participating in children and youth activities. (The children/youth workers will gain additional verbal or written permission before allowing any child to be driven off of church property before each activity/event.)

In consideration of permitting my child to attend and/or participate, I do hereby, for myself and my child, waive and release any and all claims that I might have against the Church and any paid or volunteering parties on behalf of the Church or its children and youth ministry from all actions, claims, costs, expenses, or damages of any kind growing out of or related to the activities. I acknowledge that this is a full and complete release for all injuries and damages which the above student may sustain as a result of participating in the activities.

I authorize the treatment of the student by a qualified and licensed medical doctor in the event of a medical emergency which, in the opinion of the attending physician, may endanger his/her life, cause disfigurement, physical impairment, or undue discomfort if delayed, while said minor is participating in the activity, including transportation to and from the site. This authority is granted only after a reasonable attempt has been made to contact me, the parent/guardian.

I give permission to Grace BFC to post pictures taken of my child at events on their website and social media sites. I also give permission for my child's information to be securely stored on our online church database.
